

# ACCOMMODATION

## Boats, Trailers and Cars

Due to lack of space on the premises of Segelclub Attersee, the boat park will be located about 400m further north at Häuplhof. Boats and trailers will be located next to the lake just in front of the two slipways. Trailers can be parked next to the boats. For cars a specific area of the car park will be reserved. The race office and the area for equipment inspection will be located next to the boat park. A „Sailor’s Lounge“ will be set up at Segelclub Attersee (SCATT), just south of Häuplhof.

NOTE: On 20th September the main road around the lake (B151, B152) will be closed between approx. 12:00 and 17:00 due to a time trial bike race around the lake (<https://www.kotl.at/>). During that time you cannot leave Häuplhof by car.
